- BEC reserves the right to operate all **drink, tote bag, and T-shirt** concessions.
- BEC reserves the right to screen all items for sale. The Faire is an educational event and the majority of those in attendance are children. Purchasing food and arts/crafts items is secondary to learning and participating in activities. Sale items should be relatively inexpensive and reflect the natural world.
- Booths must be staffed at all times. You may not operate out of a vehicle. Set-up time in the Cedar Grove area begins at 7:00 AM Saturday morning and must be completed by 9:00am.
- The Faire will be held rain or shine.
