

31st Annual Endangered Species Faire

Friends of the Faire

Holding an event as wonderful as the Endangered Species Faire for 31 years is quite a feat, and one that Butte Environmental Council is proud to have done! We have strived to keep the Faire FREE to everyone, and we will continue to do this as long as we have the generous donations of the **Friends of the Faire**. This is an event for all ages, with environmental education being offered alongside music, entertainment, and live animal shows!

Barbi and Izod the alligator 2008.

Environmental education is the primary focus of this Faire and students can become teachers, as seen in the booth below designed by Hooker Oak Elementary School students. The Faire is FREE, and every attendee will learn something new about the environment at each Endangered Species Faire.

Saturday May 1, 2010
10:00 am to 4:00 pm
Cedar Grove, Bidwell Park

We would appreciate a donation of any amount that you can afford in these challenging economic times. Thank you for considering the opportunity to support this wonderful, long-standing community event,
Sincerely, Mary Muchowski, Faire Coordinator

Yes, I would love to support the Endangered Species Faire as a Friend of the Faire!
